4) A copy of the Sanctioned Budget for the year 1937-38 is put up for reference from a perusal of the above Budget it will be seen that the Mlty had provided a sum of Rs 2000 as Receipts under Water tax (Flag T) and the same has been enhanced to Rs 2300/- as per GO dated 4th July 1937 Sanctioning the Budget estimates for the year 1937 38 The expenditure under this head as per Sanctioned Budget estimate is stated to be Rs 4000/- (vide Flag Z)

5) It is therefore seen that the expenditure the Mlty is incurring for maintenance of Water works and supply of water to the town is more than the amount realised and this fact may probably be the reason why the President of the Chennapatna Mlty has requested that Sanction may be accorded to enhance the water tax from 3 as to 4 as per rule of the Nonatarpa Tax

The extra expenditure has to be provided in the 1700 and evidently the Municipal Council want to realise this amount to some extent by raising the Water tax from 3 a to 4 as per rule of the Nonatarpa tax

6) A Draft GO Sanctioning the Proposal is put up for Consideration

Subject —

In forwarding herewith the entire correspondence received from the Sub Division Officer, Closepet in the matter of enhancing the rate of water tax in Chennapatna Municipality from 3 annas to 4 annas, I have the honour to state that necessary notification under section 62 of the Town Municipality Regulation was issued on 26-7-37, calling for objections from the public for the enhancement of the water rate It is reported that it was widely published and no objection were received from the public, except a few who have made a shara on the notification stating that the present tax is itself heavy and that the proposed enhancement may not be given effect to But the Amildar in charge of Chennapatna Municipality reports that their objections are not valid and that the rate now proposed is also in force in other municipalities The Amildar in charge of the Municipality report that to augment the resources of the Municipality, it is necessary to enhance the rate and requests that sanction of Government may be obtained for the same The Sub Division Officer, Closepet recommends that sanction for the levy of the enhanced rate may be obtained

Under the circumstances reported by the Amildar, Chennapatna, I request you to be so good as to obtain sanction

of Government for the levy of enhanced water rate in the Municipality
